

# Policy on the use of Technology

Raab Montessori Academy

Upon parent consent on the Photograph and Video Permission Form, Raab Montessori Academy staff will take pictures and videos on their personal devices of the child to be shared with the specific child's parents via email. These pictures/videos must not include any child, other than that of the recipient. Please note if you opt out of having your child's picture/video taken, you will not receive picture/video updates.

Upon parent consent on the Social Media Permission Form, Raab Montessori Academy staff will post pictures and videos of the child to be included in Raab Montessori Academy communitywide emails and shared on all applicable Raab Montessori Academy run social media pages. These pictures and videos are not permitted to be shared on the personal social media pages of employees of Raab Montessori Academy. Please note, if you opt out of the social media sharing then your child will not be included in group pictures shared on social media sites, nor will your child's picture be featured in Raab Montessori Academy newsletters and community emails.

Parents are not permitted to take and post pictures of children other than their own, without the other parent's consent, while at Raab Montessori Academy

Parents and Raab Montessori Academy staff are permitted to share and comment on the posts of Raab Montessori Academy run pages.
